General Information for RN Degree Completion Students

- A maximum of 74 credits may be transferred from Washtenaw Community College. Credits for nursing license are not included in this total.
 - Minimum 124 credits at Madonna University required for BSN degree.
 - Minimum of 30 credits at Madonna University required for residence requirement
- Only courses with a "C" or higher will transfer.
- Science courses with grades of "C" or higher will be transferred from accredited colleges regardless of completion dates (courses do not expire).
- Several Madonna University general education requirements may be fulfilled by satisfying the MACRAO or MTA endorsement at WCC. Students should consult with Washtenaw counselors first and then with Madonna Nursing Advisor.
- Transfer credit will be granted for 40 credits for nursing (med-surg, maternity, pediatrics, mental health, etc.) based on RN licensure without further exams.
- Prior learning credit will also be granted when transferable credits are not available for anatomy and physiology, microbiology and nutrition based on RN licensure without further exams.
- Madonna University requires all incoming students to complete a writing assessment scored by Madonna University's writing faculty.
- Courses in the degree completion curriculum do not include clinical experiences in the traditional sense.

Admission requirements:

- Current unencumbered Michigan RN license
- A minimum cumulative GPA of 2.5 from all colleges/post-secondary educational institutions.
